Madam:

In a conversation with Karen Williams of the USPTO, it was pointed out that the translation of PCT/EP2004/010045 originally filed along with the nationalization was mislabeled by the Applicant as a "Translation of Foreign Priority Document" as opposed to a translation of the international application. The Applicant hereby confirms that the originally submitted translation is a translation of the international application as certified by Dr. Donald J.E. Mullen in the Translator's Verification submitted with the translation on March 21, 2006.

Please don't hesitate to contact the undersigned if there are any questions.

DATED this 1st day of February, 2007.

Respectfully submitted,

/David A. Jones/ Reg. #50004
